

European Reverse Logistics Partner

EU Returns Hub — Poland (One-pager)

Fast EU returns handling for marketplace and webshop sellers. We intake, take 2-3 photos, apply A/B/C visual grading, then issue a clear report in 48 hours or less (business days). You decide: resell in the EU, export to CN, dispose, or store.

How it works

- - Ship returns to our EU address (Poznan area, PL).
- - We intake and scan; take 2-3 photos per box; A/B/C visual grading.
- - Clear report with links and next-step actions (48h business days).
- - You choose the action: resell / export / dispose / store.

SLA

- - Photos within 24h from receipt.
- - Grading and report within 48h.
- - Priority SLA (full cycle within 24h) available as an add-on.

Plans and billing

- - Monthly plan tiers: Starter100 - Plus600.
- - Prepay 1x month + 1x retainer (credited to the last month).
- - Overage €2.90 per return. Top-up +100 returns = €225.
- - 14 days storage included; add-ons per tariff.
